## **Testimony of the Maine Municipal Association**

### **Neither for Nor Against**

#### ***LD 410 - An Act Regarding the Nuisance of Cannabis Plants and Smoke in Residential Areas***

**April 5, 2023**

---

Senator Hickman, Representative Supica and members of the Veterans and Legal Affairs Committee, my name is Rebecca Lambert, and I am providing testimony neither for nor against LD 410 on behalf of the Maine Municipal Association's (MMA) elected 70-member Legislative Policy Committee (LPC). For reference, the LPC provides direction to the advocacy team at MMA and establishes the position on bills of municipal interest.

Since this bill was originally a concept draft, the LPC has not yet taken a position. We appreciate the amendment that Rep. Caswell brought forth and plan to bring the measure before our LPC at our April 11<sup>th</sup> meeting.

MMA will plan to submit additional testimony based on the outcome of that discussion in advance of the work session. Thank you for your time and for considering the municipal perspective on this issue.
