LD 1347

Chair Lawrence, Chair Zeigler and Honorable Persons of the EUT Committe

LD 1347 is an "Ought to Pass" by unanimous vote. Net Energy Billing is a disaster.  
How can 7% of ratepayers get a reduced bill while the rest of the customer base pays  
for the cost shift? NEB

How can Maine export electricity out of state while paid by Maine ratepayers? NEB

How can the state increase electricity payouts to low-income households? NEB

How can solar developers profit handsomely in Maine? NEB

How can forest land and agricultural land in Maine disappear? NEB

How can a grid become an expensive vehicle for an energy source capable of 14%  
operating time? NEB

How can a committee keep lobbyists smiling? NEB

How can electric rates be raised without the consumer knowing? NEB

How can you get people to pick the pockets of others legally? NEB

How can you get legislators to vote on something they know nothing about? NEB

How can you get a politician feeling virtuous? NEB

Chasing Carbon Zero with NEB is Futile.
