LD 1276

Dear Members of the Taxation Committee, I am writing in support of LD 1276 as it would help preserve and grow jobs, business, farms and affordable housing in Maine. I am a worker-owner of a cooperative farm and have seen the benefits of broad based cooperative ownership and am excited to see the Maine state government support more people in Maine being owners of their own businesses. This will help to stabilize and support our economy and keep more jobs in Maine meeting needs in our communities. I urge you to support this legislation.
