Written Testimony of Corinne Watson

In Support of

**LD 226: An Act to Address Maine's Affordable
Housing Crisis**

Corinne Watson, Tiny Home Advocate, Tiny Homes of Maine

Before the Joint Select Committee on Housing

April 14, 2023

Senator Pierce, Representative Gere and Honorable members of the Housing Committee,

My name is Corinne Watson, founder and CEO of Tiny Homes of Maine. I am here in strong support of LD 226, "An Act to Address Maine's Affordable Housing Crisis".

Like most communities in Maine, Aroostook County is struggling with housing people due to the cost of rent and home price at this time. Something needs to be done to help people have warm safe places to sleep at night.

At this time, I am urging this committee to support a solution that allows more affordable housing options.

Thank you very much for your time.
