I am a mother and grandmother speaking out on behalf of my children and grandchildren. Having more firearms in schools by allowing individuals with concealed carry permits to possess handguns on school property is NOT a solution to the epidemic of gun violence in our country. I am **STRONGLY OPPOSED** to this legislation (LD1557). More individuals with guns on school property will only increase the potential for more violence and trauma for students, parents and teachers -- This is **WRONG!**
