Senator Beebe-Center, Representative Geiger, and Members of The Criminal Justice and Public Safety Committee

As a resident of Androscoggin County and a Grandparent of someone incarcerated in Maine, I am respectfully requesting your support for LD 1633 – An Act to Establish a Community-based Reentry Program in all Department of Corrections Facilities.

LD 1633 puts forth a “Good Sense” approach to reentry. Multiple types of support for our returning citizens are implemented in this plan, both prior to release and beyond to make this transition back into our communities successful. The recidivism rate could also be positively affected with the implementation of LD 1633. Thank you for your continuing service to our beautiful State of Maine.

Thank you for considering my request to support LD 1633.

Sincerely

Mildred Noddin
