LD 1174

Chairman Baldacci, Chairwoman Meyer and members of the committee, My Name is Cory Reynolds and I am Testifying in Opposition to LD -1174, 1215, 1558. I am testifying in opposition because our Government should not be controlling our life. If a person chooses to smoke a cigarette or vape then that's on them. Yes I do believe kids shouldn't be smoking and vaping but that's why it should be law you can't smoke or vape until 21, just like we have with Alcohol. again please vote Ought Not to Pass.
