Please vote to allow Concealed carry permittees the right to carry on school properties for the safety of all Mainers. The data show them to be safe and careful individuals that act responsibly and are willing to sacrifice and be of service in the protection of others. Please take a serious look at the data of cities where gun control is strongest and you will not be able to deny the reality that these are or are becoming the most gun violent areas in our country. We need to protect the innocent . We appreciate your support in letting permitted CC holders carry on school grounds.
