Re: Public Hearing Testimony on LD 848

Dear Senator Carney, Representative Moonen and Distinguished Members of The Judiciary Committee;

My name is Dr. Arthur Jones and I am writing in support of LD 848, "An Act to Expunge Certain Nonviolent Drug Crimes."

Simply stated, this bill prevents a conviction on a drug crime from wrecking the remainder of an individual's life by expunging the record of the crime, if and only if a person has successfully served their sentence and has not been convicted of any crimes in the subsequent five years.

The Maine Department of Corrections states their mission as: "Making our communities safer by reducing harm through supportive intervention, empowering change and restoring lives." I urge you to help make the "restoring lives" part of this statement more truthful than it currently is by voting in support of LD 848.

Sincerely,

Arthur Jones, PhD
