I support LD 1619 An Act to Improve Maine's Reproductive Privacy Laws. I am a Registered Nurse, hold a valid ME RN License and provided 43 years of nursing service to the Kennebec Valley Region. As a nurse, I took an Oath to maintain confidentiality regarding patient identification and care and must abide by HIPPA. I believe that the inalienable rights our country is founded on Must INCLUDE REPRODUCTIVE PRIVACY as well as FREEDOM of REPRODUCTIVE RIGHTS. ALL MAINE CITIZENS MUST HAVE REPRODUCTIVE PRIVACY and an ACT to IMPROVE REPRODUCTIVE PRIVACY will help ensure such medical and personal privacy protection.

Thank you. Kimberly Hallee 12 Gray Street Waterville ME 04901d personal
