

Dorothy McLaughlin
Buxton
LD 1619

Senator Carney, Representative Moonen, and Honorable Members of the Joint Standing Committee on Judiciary:

My name is Dorothy "Linda" McLaughlin, and I'm a resident of Buxton. I'm here to testify in opposition to LD 1619.

I am a retired nurse with thirty-one years in neonatal intensive care nursing and two years as a labor and delivery nurse. Most of my professional career was devoted to saving babies that they now want to legally kill. This bill goes too far. I implore you to vote NO. Vote NO to Maine being a destination state for late term abortions for out of staters. Maine is better than this!! Please vote ought not to pass.
