

Judith Dorsey
Belgrade
LD 1619

I'm Judith Dorsey from Belgrade and I am to opposed LD1619 because my faith teaches me that all life sacred. I have counseled women at First Choice pregnancy center in Waterville in past years. When pregnant women saw the ultrasound of their fetus they realized that this is a viable human life and chose to keep their baby and not abort it.

PLease vote no on LD 1619 to protect human life.
