LD 1343 - An Act to Protect the Reproductive Freedom of Maine People by
Preempting the Field of Abortion Regulation. LINDA HASKELL, I OPPOSE LD
1343.

A higher level of government is needed to regulate or eliminate the lower state
government on issues of Abortion Regulation. This Act LD1343 is over stepping is
authority on legal decisions and laws of abortion regulation. The time of our State
Senators, State Representatives, Sec. of State officers and Governor could and should
be utilized for a more productive State Legislature. The concerns of the State of
Maine "TAXPAYERS" are screaming for productivity and goverment reform within
this State of Maine!!!
