

Sandra Warner
Brunswick
LD 1619

Senator Carney, Representative Moonen, and Honorable Members of the Joint Standing Committee on Judiciary:

My name is Sandra Warner, and I'm a resident of Brunswick. I'm writing to testify in opposition to LD 1619.

Please do not let the blood of even more innocent babies be on your hands. One day we will all stand before a Holy and Just God and be accountable for our decisions. To further expand the abortion provisions already in place would be an egregious decision. I implore you to vote ought not to pass on LD 1619.

Thank you for your time and consideration, and thank you for serving our beautiful State of Maine.

Please vote ought not to pass.

Respectfully,
Sandra Warner
Brunswick
