

Michelle Homchuck  
Guilford, Maine  
LD 1619

Senator Carney and Representative Moonen, Honorable Members of the Joint Standing Committee on Judiciary, my name is Michelle Homchuck and I am a resident of Guilford. I am writing to testify in opposition to LD 1619.

As I sit here, I am looking at my precious 8-week-old granddaughter. Her life and EVERY life has value. We cannot make killing the unborn so easy and accessible that there is little to no need for personal responsibility.

We already allow abortion in Maine when medically necessary. Please do NOT pass LD 1619. Abortion at ANY time, for ANY reason is too extreme for Maine. This bill would allow a baby that could survive outside the womb to be killed. EVERY life is valuable. We should not allow Maine to have one of the most extreme abortion laws in the entire country.

Thank you for listening and please do not pass this bill.
