

Carroll Gould
Cornville
LD 1619

Senator Carney and Representative Monen, Honorable Members of the Joint Committee on Judiciary, my name is Carroll Gould and I am a resident of Cornville, Maine. I am giving written testimony against Legislative document No. 1619. I have lived in Maine my whole life. I am 78 years old and during my lifetime I have seen many things happen that are wrong. I grew up in the Maine woods and was taught to respect life. I believe with all my heart that this bill is absolutely wrong. I am a Christian and I believe strongly in God and all of his wisdom, and I will hang onto his words found in Exodus 10:13 which says, "Thow shall not murder." I believe with all my heart this bill is still a license to murder. I realize that sometimes the mother or the baby's life is in danger and an abortion may be the only answer.
