LD 1619

Madam/Mister Chair & Honorable Members of the Judiciary Committee, My name is Amanda Lovley and I am a resident of Levant. I am writing to testify in opposition to LD1619. Abortion ANY time, for ANY reason is too extreme for Maine. This bill would allow a baby that could survive outside the womb to be killed, that is murder! God's word does not condone abortion but indeed condemns it. Exodus 20:13 "You shall not commit murder" one of God's Commandments. "Someone's helplessness or dependency should motivate us to protect them not to destroy them." Maine would have one of the most extreme abortion laws in the entire country. Please oppose this unnecessary, drastic bill, that the majority of Maine do not want to see pass. Thank You.
