1st Baptist church of Mexico, Maine  
LD 1619

My name is Yvette Harrison. I am a resident of Rumford, Maine. I am here to testify that I am against LD1619. I believe that killing innocent babies is atrocious. I believe we should stand up for what is right. Let's make this country a better place. Psalm 127:3 "Children are a gift from the Lord; they are a reward from Him."
