

Brittany Higgins
Monroe
LD 1619

Senator Carney and Representative Moonen, Honorable Members of the Joint
Standing Committee on

Judiciary, my name is Brittany Higgins and I am a resident of Monroe. I am here to
testify in opposition to LD 1619.” This would allow a baby that could have survived
outside of the womb to be killed. This is murder and should be punishable by law.
Make adoption more affordable and there might be less women considering abortion.
