LD 1619

To members of the Joint Standing Committee on Judiciary Regarding LD 1619, thank you for the opportunity to submit this testimony. My name is Wendy Randall and I am a citizen and tax payer of Belgrade, Maine. I am vehemently opposed to LD1619. If this bill was to pass, Maine would have one of the most extreme abortion laws in the country. This bill would allow a baby that could be survived outside of the womb to be killed. Since medical necessity it covered by the current law, there is absolutely no need for this. As a Christian, I believe life begins at conception and every life is a gift from God. I would appreciate you doing everything in your power to oppose this legislation.
