LD 935

Dear Committee Members,

Please Do NOT pass LD 935. Abortion services should not be exempted from copayment, deductibles, or other cost-sharing requirements. Abortion should not have a separate and protected status to make it easier for women to have abortions. I do not believe we have these exemptions for other health services in Maine such as cancer treatments and other life-saving medical procedures. We should NOT make a protected class for abortions. Please do NOT pass LD 935.

Thank you, Michelle Homchuck
