We are in shock and awe when we hear about a school shooting. When we hear of defenseless children and teachers being slaughtered like sitting ducks we are appalled. If we truly want to save lives of the innocent, why don't we stop abortion? We should be shocked and appalled when we hear that in 2011, there were over a million unborn babies killed in the United States of America (according to Guttmacher Institute). A nation that was built upon Judeo Christian values. Though shalt not murder God commanded. Let it be known that Christians do not stand with those who call for so called abortion rights. We will not stand idly by while you are killing our neighbors (Leviticus 19:16)

God alone is the only one who was meant to have the power to decide when we live and when we die. Deuteronomy 32:39 says in part, "...there is no God besides Me; I kill and I make alive." When you kill babies you are playing God. Do you really want to be judged for that when you stand before Christ, the righteous judge some day?

For we must all stand before Christ to be judged. We will each receive whatever we deserve for the good or evil we have done in this earthly body. 2 Corinthians 5:10
