

Teddi Gorczok  
Brewer  
LD 1619

Life begins at conception. All three bills being proposed (LD 776, LD 1343 and LD 1619) are heartless, radical and extreme. It is an absolute moral disgrace to the state of Maine to pass any of these bills. I hope that through this testimony, and the testimony of others given today, it is made clear that the people of Maine value life, including life in the womb
