Madam/Mister Chair & Honorable Members of the Judiciary Committee,

Thank you for taking the time and thoughtful care to sit through hours of testimonies and letters; you were placed in the role you are in for such a time as this!

My name is Kristin Elie from Minot Maine; I deeply oppose the proposed bill to extend abortion in Maine to full term. The sanctity and value of human life is too great to legalize being able to snuff it out when it can be fully functioning. There are so many reasons why not to make this legal one of them being that we will be literally killing the next generation of Mainers.

I respect your time and know you have read so many letters but please, also consider that you not only making a legal decision but you are making moral decision that you will have to live with. Killing a child is dark and heavy weight. Please don't allow full term abortion to be legal in our great state that I love so much.

Sincerely,
Kristin Elie
