

Susan Dutkiewicz  
Newport ME  
LD 1619

My name is Susan Dutkiewicz, I live in Newport Maine, and I am writing in opposition of the LD 1619 bill.

I am blessed with a beautiful 24 year old daughter. A daughter that was born with special needs. A daughter that by some peoples standards, wouldn't have been worth giving birth too. In fact I know a handful of people who have aborted their babies, for having the exact same condition as my daughter. And they are the ones that missed out.

My daughter is my absolute best friend. She has changed me into a better person, in more ways than I could begin to explain. Her life is not only worth it. Her life, and her story, is powerful. She impacts people for the good, everywhere she goes. And has made this world a better place. I am so thankful I chose life.

We cannot let this bill pass. It is beyond evil. The abortion laws in our State, are already way too extreme. We need to fight for the lives of these unborn babies. They can't fight for themselves, but their lives are certainly worth fighting for. We as a State, already have too much innocent blood on our hands. And the wrath of God is something to be greatly feared.

Please, please, please do not pass LD 1619. We the people, do not stand for it.
