

Pietrina Owe
Cape Elizabeth
LD 1619

LD 1619 Do not vote to pass this bill. Governor Mills promised not to change the current abortion law. She could not wait to do the exact opposite only days after her inauguration. What does that tell me about her character. It tells me she is a liar and ought not to be trusted. She did not have the courage and fortitude to say she would do this before the 2022 vote for Governor.
