

To: The Judiciary Committee

I am writing to urge you to vote "ought to pass" LD1197 for these reasons:

1. The law prohibits criminal threatening of any person, including a person who refuses to have an abortion.
2. Any patient, and especially a minor, has the right to withdraw consent for an abortion at any time before the procedure is performed, and to receive a full refund.
3. This bill (LD1197) is a common sense requirement for notice and information to be provided any woman seeking an abortion of the risks and rights that are hers.

Please vote "ought to pass" on LD1197.

Thank you!
