

Charlis Sullivan
Caribou
LD 1197

Representative Amy Arata and Honorable Members of the Joint Standing Committee on Judiciary, my name is Charlis Sullivan and I am a resident of Caribou. I am here to testify in support of LD1197, HP0757, An Act to Prevent Coerced Abortion. I support this bill to allow access to proper information in a manner that clearly helps the patient to understand options, procedures, and risks.

For these reasons, I ask the committee to vote "Ought to Pass" on this LD1197 which is designed to equitably disclose information to clients when faced with a life altering decision. Thank you.
