

Gary Frank Strickland
Brunswick
LD 1197

Dear Judiciary Committee,

Abortion is a heinous act. To actively coerce a woman to kill her unborn baby is being an accessory to the child's death. That we, in the state of Maine, even allow this procedure is bad enough but to push a woman to do this doubles the evil of this practice. Please give these innocent babies a chance to live, eliminate coercion but supporting this bill.

Thank you,

G. Frank and Susan R. Strickland
Brunswick, Maine
