

Linda McMahon  
Harpwell  
LD 494

Senator Carney, Representative Honored Members of the Judiciary Committee  
My name is Linda McMahon, Harpswell, Maine. I am testifying in favor LD 494, HP  
311. I am in favor of Maine Law coming into alignment with the Federal Hyde  
Amendment. I don't want to be complicit in the murder of innocents. Abortion  
services have plenty of money.

Planned Parenthood's PAC spent 45 million trying to sway voters in recent elections.

Use that money, not the taxpayers

Please vote "Ought to Pass."

Thank you
