LD 1340

Dear Members of the Criminal Justice and Public Safety Committee. I am writing to urge you to support LD1340. Guns equipped with bump stocks were used in the largest and deadliest mass shooting in 2017 in Las Vegas, in which 60 people were killed and hundreds more wounded. I have a right to the pursuit of life, liberty, and happiness. Laws passed that weaken our gun laws are not protecting my right to life.
