Please oppose or amend LD 1798.

I am a homeschooling mother of two in Hancock County. Our family has lived in Maine and has been homeschooling since 2015. I am writing today to urge you to please help ensure that ANY EDUCATION FUNDING INITIATIVES SPECIFICALLY EXCLUDE HOMESCHOOLERS. Homeschooling does not need to be expensive, and can, indeed, be practically free. Using citizen tax dollars for homeschooling is not only unnecessary, but also could result in the loss of homeschool freedom and a monopoly in the education marketplace.

As a volunteer and staff member of Homeschoolers of Maine, I have produced several videos, print materials, and social media posts educating people on the dangers of "school choice" funding.

I would be happy to share resources with you for more background and information if you are interested.

Thank you for your attention and for standing up for freedom.

Sincerely,  
Brandi
