CUMBERLAND CENTER  
LD 1340

Distinguished Members of the Criminal Justice and Public Safety Committee;  
My name is Carol Riley, and I am a resident of Cumberland Center. I am requesting your support for bill LD1340. It is pretty evident that the mass shootings in this country are perpetrated by individuals using rapid fire devices. These weapon accessories serve no other purpose than to increase the rate of fire to maximize the number of dead and wounded. This is an important first step in putting people before guns and creating safe gun laws.

Thank you.  
Respectfully,  
Carol Riley
