Testimony of Brian Hatch
before the Criminal Justice and Public Safety Committee,
in SUPPORT of LD 1340 - An Act to Prohibit the Sale or Possession of Rapid-fire
Modification Devices

Distinguished members of the Criminal Justice and Public Safety Committee, my name is Brian Hatch and I am a resident of Scarborough, ME. I have two young daughters and fear for their safety every time they leave our home because of the current gun laws and gun violence we are witnessing regularly in this country.

I support LD 1340 because hunters do not need bump stocks to hunt, in fact they are known for being inaccurate and because many responsible gun owners report that they do not want to own or use bump stocks.

Thank you for hearing and considering my testimony.

Sincerely,
Brian Hatch
