Testimony of Serena Wade
before the Criminal Justice and Public Safety Committee,
in SUPPORT of LD 1340 - An Act to Prohibit the Sale or Possession of Rapid-
fire Modification Devices

Distinguished members of the Criminal Justice and Public Safety Committee, my name is Serena Wade and I am a resident of South Portland, ME. I have two young children and fear for their safety at school and in public every day because of the current gun laws and gun violence we are witnessing regularly in this country.

I support LD 1340 because hunters do not need bump stocks to hunt, in fact they are known for being inaccurate and because many responsible gun owners report that they do not want to own or use bump stocks. This may not stop mass shootings, but we need to try something. Please.

Thank you for hearing and considering my testimony.

Sincerely,
Serena Wade
