I am moving to Maine next month from NH. I am a school psychologist for over 33 years. Being a school psychologist means I know about psychological disorders, child development, cognitive functioning, emotional functioning, social functioning, child maltreatment, educational practices, and most importantly the appropriate socialization of children.

Several years ago I taught a community college class about Child Abuse and Neglect. At the time, pedophile priests were being exposed and the corruption of the Catholic Church to hide sexual abusers. After this horrific and necessary exposure of evil in the church (I am a cradle Catholic), I had to take a course about being a mandated reporter (even though I knew that as a professional), in order to teach religious education and how pedophiles groom their victims and were successful in keeping their victims hidden from their parents under the guise of helping a needy child.

THIS BILL IS THE SAME EVIL AGAINST CHILDREN. I THOUGHT I HAVE SEEN AND HEARD OF THE WORST OF THE WORST IN OUR SOCIETY BUT THIS IS THE BEYOND ANYTHING I COULD HAVE IMAGINED!!

NOT ONLY IS IT IMMORAL AND AN INDICATION OF SERIOUS SOCIOPATHIC MENTAL ILLNESS IN THE SPONSORS AND CO-SPONSORS , IT IS IRRATIONAL AND WRONG BECAUSE:

1)A CHILD (UNDER 18 YEARS OF AGE) IS NOT A KNOWLEDGEABLE PATIENT WHO CAN MAKE HEALTH CARE DECISIONS FOR THEMSELVES; WHERE IS THE PRECEDENT FOR THIS? THEY DO NOT HAVE THE INTELLECTUAL CAPACITY TO WEIGH PROS AND CONS OF THE IMPLICATIONS OF AGREEING TO IRREVERSIBLE MEDICAL MUTILATION AND DISRUPTION OF THEIR NATURAL GROWTH PROCESS AS A MALE OR FEMALE.

2) IT IS AGAINST EVERYTHING WE HAVE EVER DONE IN EDUCATION AND HEALTHCARE BY REMOVING PARENTS FROM THE DECISION AND GIVING IT TO THE STATE.

3)THIS IS STATE SANCTIONED SEX TRAFFICKING.

THINK THIS THROUGH TO EITHER YOUR INTENDED OR UNINTENDED CONSEQUENCES OF FURTHER VICTIMIZATION OF CHILDREN

4) THERE MUST BE A MONETARY INCENTIVE FOR THIS BILL AND EVENTUALLY IT WILL BE EXPOSED. BLOOD MONEY.

5) YOU SPONSORS ARE WOLVES IN SHEEPS CLOTHING. YOU ARE IMPOSING YOUR OWN SICKNESS ONTO THE INNOCENT. WE SEE YOU FOR WHO ARE AND SO DOES GOD.

6) CHILDREN WHO HAVE SERIOUS MENTAL HEALTH PROBLEMS THAT ACCOMPANIES GENDER DYSPHORIA WILL NEVER GET THE PROPER HELP THEY NEED BECAUSE OF THIS BILL. THEY DO NOT NEED GENDER AFFIRMING CARE. THEY NEED HEALING FROM THE INSIDE. NO PILLS OR SURGERIES CAN FIX A TRAUMATIC BRAIN A BROKEN MIND AND HEART FROM ABUSE, LOSS, AND LACK OF LOVE.

7) YES I DISAGREE WITH THE STATE AND NATIONAL PROFESSIONAL PSYCH ORGANIZATIONS WHO BACK BILLS LIKE THIS ACROSS THE COUNTRY. THEY ARE LEMMINGS WHO CANT THINK FOR THEMSELVES AND OFTEN PROJECT THEIR GOD COMPLEX ONTO THEIR WORK.

Lastly I am so grateful that our children are grown now . I do not want grandchildren if they are to be raised in this society of evil. I am so sad to see that Maine is like California with DEMONcratic leaders who are immoral sociopaths. However I am going to speak out for the children of Maine and fight this war starting with this BILL LD 1735.
