Senator Carney, Representative Moonen, and honorable members of the Joint Standing Committee on Judiciary: My Name is Cory Reynolds and I am testifying today in Opposition to LD-1735. -An Act to Safeguard Gender-affirming Health Care because You are trying to take parents rights away, and Transitioning" CHILDREN, mutilating them. This needs to stop. Leave our children alone how about you protect our children instead of Making them change their body. If they were born as a man or a woman leave them alone.

We Have more current situations we could be spending our time on like Mental Health, Gun safety and having armed police officers at our schools, malls, church's, Inflation, then this radical idea. Please I urge you to vote ought not to pass on LD-1735.

**Thank You,
Republican Cory R.
