Good morning Senator Hickman, Representative Supica, and fellow members of the Joint Standing Committee on Veterans and Legal Affairs. My Name is Cory Reynolds and I'm testifying today in opposition to LD-1783. - An Act to Implement the Recommendations of the Governor's Advisory Council on Military Sexual Trauma, because this bill is wrong, stop trying to turn people to be a transgender person. We are man and woman, not a man trying to be a woman it's wrong.

The National Guard is to protect The United States Of America. Is the legislature going to lie down and cry every time an individual cries "my feelings are hurt"? We need to stop trying to control and change and transform people's gender, Please I urge you to vote ought not to pass on LD-1783.

**Thank You,
Republican Cory R.
