

Patricia Jackson
Narberth
LD 1450

My name is Pat Jackson and I live in Narberth, Pennsylvania. I am writing in support of LD 1450 to help fund the building of the Mountain Division corridor trail. The best use for the state-owned Mountain Division corridor is a wide paved trail for walkers, bikers and runners, which will be accessible to people of all ages and abilities. This Trail extension will connect to the nine miles of mountain division rail trail that already exists in Fryeburg and in Gorham and Windham. You may wonder why I care about this. I have family who live in Brownfield and I visit them often. When I do, out comes my bike and I ride this Trail often, a tonic for me as well as remotely for the many who enjoy the photos I post on Facebook. Please make this happen.
