My name is [Insert Your Name], I live in Biddeford and I work for the Eastern Trail. People love the ET and expanding trails in Maine makes sense on so many levels. I am writing in support of LD 1450 to help fund the building of the trail. The best use for the state-owned Mountain Division corridor is a wide paved or gravel trail for walkers, bikers, and runners, which will be accessible to people of all ages and abilities. This trail extension will connect to the 9 miles of Mountain Division rail-trail that already exists in Fryeburg and in Gorham and Windham.

Thank you,
Patrick Conlon
