LD 1914

My name is Elijah Thanhauser and I am the CEO of North Spore. We employ over 65 people in Maine including veterans. I believe it is important to pass LD 1914 and decriminalize psilocybin. Studies have shown psilocybin to be helpful in the treatment of PTSD and alcoholism. We've legalized cannabis in Maine which probably has less scientific proof for its health benefits than psilocybin so I see no reason we shouldn't decriminalize a substance that helps many people. I would love to see Maine be one of the leaders in the nation for this cause.

Thanks,
Elijah
