

Lorraine Brown
Swanville
LD 1914

Please pass LD 1914 an act to Enact the Maine Psilocybin Health Access. Many of Maines citizens live with unacceptable levels of physical and emotional pain that research proves can be effectively addressed by this natural, safe, powerful form of treatment. By denying passage of 1914 you condemn and prolong those Maine citizens, women and men to unnecessary suffering. Please consider changing lives positively in our state.
