

Ronald Blanchard  
Gorham  
LD 1914

I'm a 37yr old veteran with 100% Service Connected Disability. 4 years ago I exited from a vehicle traveling 55mph while suffering a flashback. I was sleeping and believed the vehicle was fully engulfed and I needed to exit. Some of us are suffering, but do not choose to do illegal drugs. Please enact this so we can explore all options in a safe and controlled environment.
