

LD 678 "An Act to Require Parental Approval for Public School Employees to Use a Name or Pronoun Other than a Child's Given Name or Pronoun Corresponding to the Gender on the Child's Birth Certificate"

Good afternoon, Senator Carney, Representative Moonen, and members of the Judiciary Committee. My name is Craig Caffrey of Bowdoinham, and I am submitting my testimony in support of LD 678 "An Act to Require Parental Approval for Public School Employees to Use a Name or Pronoun Other than a Child's Given Name or Pronoun Corresponding to the Gender on the Child's Birth Certificate."

As a parent, taxpayer, and veteran, I am appalled we must testify in support of a bill to ensure a parent or guardian isn't blindsided over their child's name or nickname. Yet, as we have seen in recent months and years, parental oversight of their child's wellbeing, education and upbringing has been belittled and outright rejected in the name of "wokeness."

Transparency builds trust and the parents and guardians deserve and have the right to know what is being taught to their children, including whatever names they go by. This shouldn't even be a question, let alone a concern. Yet here we are.

I urge this committee to vote "OUGHT TO PASS" on LD 678 "An Act to Require Parental Approval for Public School Employees to Use a Name or Pronoun Other than a Child's Given Name or Pronoun Corresponding to the Gender on the Child's Birth Certificate."

Thank you for your time,

Craig Caffrey
