Senator Chipman, Representative Williams, and Members of the Transportation Committee:

My name is Kimberly Powers and I am a resident of North Yarmouth. I am writing to testify in strong support of Rep. Bell's proposed amendment to LD 209, "Resolve, to Direct the Department of Transportation to Implement the Recommendation of the Portland to Auburn Rail Use Advisory Council."

Having this rail trail through my community would be an incredible resource for me, my family, and my community.

Our family would enjoy a safe place off our busy roads to walk, run, bike and spend time together. Our community has a very special connection to our landscape, a rail trail would increase the opportunities to spend and enjoy time outside.

Thank you.  
Kimberly Powers
