

Marianne Borowski  
Cross NH Adventure Trail  
LD 1450

My name is Marianne Borowski, I live in Glen, NH, I am writing in support of LD 404 to allow the Mountain Division corridor to become a trail and LD 1450 to help fund the building of the trail. Although I live in NH, I use the Mountain Division Trail sections in Fryeburg and in Gorham/Windham very often. I have been on the Conway Rec Path Committee in the past advocating for connection from NH to the western end of the rail trail in Fryeburg. This corridor is scenic and will be enjoyed over all 4 seasons by residents and visitors, bringing opportunities for business development along the trail.

Along with being an avid rail trail user, I am the President and Founder of the Cross NH Adventure Trail. Along with the Cross Vermont Trail organization, we have developed a mostly off-road and rail trail route across northern New England. Currently the route ends in Bethel, Maine. We are planning for a link to the Mountain Division Trail, that will eventually take this Cross New England route all the way to Portland, Maine. In addition, Cross NH Adventure Trail, the Cross Vermont Trail and the Mountain Division Trail are parts of the Rails-to-Trails Conservancy's 1000 mile "New England Rail Trail Network" vision.

Connectivity is key for success with these routes, so of course I support LD 404 and LD 1450 for the connections!
