Senator Chipman, Representative Williams, and Members of the Transportation Committee:

My name is Nancy Martin and I am a resident of Yarmouth. I am writing to testify in strong support of Rep. Bell's proposed amendment to LD 209, "Resolve, to Direct the Department of Transportation to Implement the Recommendation of the Portland to Auburn Rail Use Advisory Council."

Having this rail trail through my community would be an incredible resource for me, my family, and my community. I work in Portland and would love the possibility of biking to work. Moreover, my kids love to bike and we often go biking on the weekend as a fun family outing. Having the trail right here in town would also bring economic opportunity to the businesses on Main Street.

Thank you,
Nancy Martin
