Brunswick
LD 209

Hello,

I support the passing of LD 209: An Act to Authorize an Interim Use Trail on the Berlin Subdivision Rail Corridor A Rail Use Advisory Council (RUAC). Rail trails are a great resource for public walking and bike riding, and I've enjoyed them extensively in other states. It would be excellent to add more of these in my home state of Maine. I support the transition of unused rail to trail. Thank you.
