

Karen & Perry Glidden  
Standish  
LD 1450

My husband, Perry and I (Karen) Glidden, live on the Old Standish Road, Standish, Maine. We are frequent users of all the local trail networks in our area and are writing to give our support for LD1450 to help fund the extension and building of the Mountain Division corridor from Standish to Fryeburg. We hope you will seriously consider this and see the great opportunities it will offer for people of all ages and abilities. Thank you!
