

Rosanne Griffin  
North Yarmouth  
LD 209

My name is Rosanne Griffin of North Yarmouth and I OPPOSE LD 404, 209 & LD 1450. We need to preserve our rails for future use for passenger and transportation of goods.

I love trails and bike riding but not when it comes at the cost of losing our important rail system. Once rails are removed it would be far too costly for it to be put back.  
Thank you.
